

Turenne Santé backs Stimulus MBO

Source: [France unquote](#) | 26 Sep 2014 | [📄](#)

Turenne Capital Santé has backed the management buyout of Stimulus, a French consultancy firm specialising in mental health and wellbeing advice for the workplace.

Turenne and the management have acquired their stakes from French firm Dzeta Conseil, which has owned 84% of the business since 2010.

Dzeta, which has sold its entire stake, generated an IRR of 24% from the sale, according to French publication *Capital Finance*.

Company

Founded in 1989 and headquartered in Paris, Stimulus is a consultancy firm specialising in workplace mental health and wellbeing.

The company employs 70 staff and reportedly generated €6m in turnover last year.

People

David Mahé is the CEO of Stimulus. Benoît Pastour is a director at Turenne Santé.
